

The Church of England Vision for Education in Our School

The Church of England Vision for Education outlines 4 key elements that work simultaneously to enhance children’s experiences spiritually, physically, intellectually, emotionally, morally and socially. With our school vision in mind, we aim to provide enriching opportunities that allows every unique individual to flourish in this ever-changing world. It is our belief that the relationship between academic success and individual wellbeing go hand-in-hand- a good education must promote life in all its fullness.
