Dear parents

The governors would like to gauge how our parents feel about Calthwaite CE Primary School. We last did this in the Autumn of 2021. It is a chance for the school to reflect on practises going into the new academic year 2023-24. It would be hugely appreciated if you could take the time to fill in the survey below and return it to school. The questions are mostly based around the OFSTED parent view.

Any comments about any of the above questions:

- Extremely supportive and caring staff in Class 1-they are an asset to the school-we are delighted with the progress of our child
- Would 100% recommend Calthwaite to other parents-the school always goes above and beyond
- You provide a wide curriculum and the trips this year have really helped widen their understanding of the wider world, especially the Newcastle trip
- I am pleased to see more sports activities-more notice for important dates would be good so we can get out of work and be able to attend church services etc...
- We are happy with opportunities and school life
- I wasn't aware of the vision

- More small school sports tournaments would be great if available
- Weekly newsletters are much appreciated, sometimes information is a bit last minute
- My child is happy at school and has learnt a lot-the only thing I can suggest is maybe more communication if late from trips or sports.
