

# CRACK! Welcome Back! WHOO!

## Year One Statutory Phonics Screening.

The statutory Phonics Screening will take place for our Year One pupils on **Thursday 13<sup>th</sup> of June and Friday 14<sup>th</sup> June**. We will be administering the assessment on a 1:1 basis in a quiet environment. You will be informed of the result in your child's end of year school report. If your child does not pass, they will resit the screening in Year Two.

## Forest School

We have 2 Forest School sessions this half term. These are:

**Friday 28<sup>th</sup> June**

**Thursday 18<sup>th</sup> July**

Please ensure the children have appropriate clothing in school that day even if it is fine weather, so they can take part in all activities. This includes a waterproof coat and wellies.

## Transition

Our induction process for our new Reception intake will begin this term. The pre-school children will be joining us on numerous occasions for lunch and play sessions.

We will also be providing our Year 1 children with transition opportunities to prepare them for moving into Year 2. There will be an official "Move-up" morning where the children will be able to meet Miss Quigley and spend the morning in their new setting. More details to follow soon!

## Secret Reader

We are looking for our final volunteer of the year for Secret Reader! The proposed date is **Friday 12<sup>th</sup> July at 10:45**. If you are willing and available, please let me know asap! Remember...don't tell the children!

## Summer Term 2

Our topic this half term is...

Our key texts are:

This half term will be all about 'Superheroes!' We will be using the exciting 'Supertato' series to introduce our theme, during which we will study characters from the story, make our own Supertato and create a wanted poster for the Evil Pea!

Next, we will move on to learn about people who help us such as doctors, nurses, police officers, firefighters and our late Queen. We will decide if there is such a thing as real-life superheroes. As part of our Geography sessions we will be "exploring the world" through which we will learn about the UK and compare landscapes of home with other countries. Our PSHE theme is "Being my Best" which will explore keeping our mind and body healthy and in RE we will learn about "Special Places" where believers go to worship.

As part of our PE curriculum, we will be taking part in a superhero themed dance workshop with Nicola Ivinson on Friday 7<sup>th</sup> June. Children can bring along a fancy-dress/ superhero costume to change into if they wish. PE will continue with Ben on a Wednesday and Lucy on a Thursday afternoon.

## Things to Bring

Just a little reminder, please send your child into school **every day** with their **book bag** and their **coat**.

Now that we are getting warmer temperatures, we have had a few children not bringing a coat to school. Thanks to our unpredictable weather, this has caught them short at play times. Please note that we still tend go out to play in all weather.

Also, with the weather in mind, please ensure that on sunny/hot days that children come to school with sunscreen **already applied** and a sun hat.

## Important Dates

Important dates and useful information can be found on our school website. Here are a few relevant to Class One.
