Ullswater Community College
Year 5 Open Evening

Thursday 27 June 2024
Drop in between 4pm-6pm, no appointment needed
Presentations from the Headteacher throughout the evening

Recently judged **good** in all areas by Ofsted, Ullswater Community College is an exciting and vibrant school. Students enjoy a wide range of opportunities in an environment where great teaching results in excellent outcomes.

We are proud of our school and, naturally, we hope that what we offer is attractive and important to others. We are very proud of our students too; we expect a lot from them and we believe that the school has much to offer in return.

UCC is a happy school with an established reputation for examination success and excellent progress for pupils. Our rich extra-curricular life and strong personal relationships between pupils, parents and staff make us a popular choice for the local community.

We look forward to welcoming parents and Year 5 students to our open evening.

Don't just take our "Everyone's unique talents are valued here."
"Pupils relish the impressive range of opportunities available to them to develop their talents and interests."
