

# Welcome to Spring

## Term 2 in Class 2!

### U Dance

What a busy term we have in Class 2!

On top of a term full of learning, we are also performing our dance this term on **Monday 16<sup>th</sup> March**. Thank you so much to parents for getting in permission slips and helping out with costumes, your help is greatly appreciated!

### PE and Forest Fun

PE days this term has changed, we now have it every **Wednesday** with Mr Harvey who is doing yoga and **Fridays** will now be Ben's day where the children will be learning rugby. Forest Fun is back now, our day is **Monday 9<sup>th</sup> March**.

### Homework and reading & times tables

Homework will continue to be set on Fridays and due back on the following Thursday, with this alternating between comprehension and maths tasks.

If possible, please get your child to read to you every day. A RWI book must be read three times and written in their diaries to support fluency. Children are responsible for changing their own books from Spring term. Times tables are also worth practising at home and TTRS is a great tool to support this.

World Book Day is on Thursday 5<sup>th</sup> March – more details to follow.

### Topics and themes

Our topic this term is:

With our enquiry question being:

What are rivers and how are they used?

In our Geography lessons we'll be learning about the water cycle and how rivers are used.

In Science, our topic is plants and we'll be looking at what plant growth, which will include growing our own peas to grow up our teepee frame in school.

In RE, our enquiry question this term is 'is the cross a symbol of sadness or joy?'

In Art, we'll be working on our drawing skills, looking at tone and texture before creating our own observational drawing.

In PSHE we'll be looking at 'being our best' and identifying our achievements.

As always, thank you so much for your support. If you need anything. Please send me a message on Dojo or catch me before or after school.

Miss Quigley
